

ROTARY'S ACTION PLAN

WHAT CLUBS CAN DO

Rotary's Action Plan builds on our past successes and sets our future direction to ensure that we continue to grow, unite people, and make a lasting impact.

We encourage all members to review the Action Plan, think about your own club and district goals, and find meaningful ways to align those goals with our plan. Have open and ongoing discussions in your club and throughout your district about the new priorities and objectives, then use those talks to shape your own strategies.

For each of the four priorities that will direct our work, we've listed ways you can put that goal into practice. Think about how *you* can bring Rotary's Action Plan to life.

ROTARY'S ACTION PLAN

INCREASE OUR IMPACT

DEVELOP A STRATEGY for educating members about the importance of impactful service projects. Research shows that measurable, data-driven results offer proof of the impactful service that is attractive to the next generation of leaders.

CONDUCT A COMMUNITY ASSESSMENT to determine which issues are top concerns in the area. Learn about needs and strengths and identify the key decision-makers. Try conducting evaluations both before and after you implement projects to get a better sense of where and how you can create measurable, lasting change that truly helps the communities you serve.

FOCUS YOUR EFFORTS. Review your club's activities and determine which ones can be streamlined or eliminated so your club can spend more time on activities that make a real impact.

ENCOURAGE YOUR CLUB OR DISTRICT TO CELEBRATE THE LONG-TERM SUCCESSES of service and program offerings, but to be open to new projects or opportunities to prove that your club or district's impact has only begun. Apply for a global or district grant to fund a project that will have sustainable, measurable outcomes.

EXPAND OUR REACH

SET A GOAL to collaborate with new groups in your community, either through service projects or social events, to introduce more people to Rotary. As our vision statement says, we want to unite people — not just Rotarians — to create lasting change.

USE ROTARY'S MEMBERSHIP TOOLS and resources to assess your club and learn how to make it more diverse, open, and attractive to everyone in your community.

Districts should **CONSIDER FORMING NEW CLUBS.** Take advantage of our flexible club models to create clubs that are welcoming to people with diverse interests, backgrounds, and needs. As always, these new clubs should embrace our core values and deliver value to members.

BE SURE TO TELL COMPELLING STORIES about how your club or district is making a difference. Use the People of Action materials and other resources in the Brand Center to learn how to show your club or district's impact through the media, on social media, and in the community. Strengthening your public image can help you attract like-minded people to your club, form new partnerships for service, and build a stronger and more diverse network of collaborators.

A woman with dark hair, wearing a black top and a blue lanyard, is shown in profile, looking upwards and to the right. She has her hands clasped in front of her. The background is a teal color with a faint, repeating pattern of a person's face. Overlaid on the background are several white thought bubbles connected by curved arrows, suggesting a flow of ideas. The bubbles contain icons representing various digital literacy activities: a person reading a book, a person writing on a notepad, a person using a laptop, a person using a tablet, and a person using a smartphone.

ESTABLISH A CONTINUITY PLAN. Encourage club presidents, district governors, and other officers to work with the incoming leaders chosen for the next few years so that their efforts will be cohesive and all will be invested in a joint success.
